To Whom It May Concern,

RE: RENTAL APPRAISAL LETTER
PROPERTY: 188 GEORGE STREET, EAST MAITLAND NSW 2323

Property management is a specialised and highly skilled area of real estate that demands attention to detail, well qualified and experienced personnel, regular communication and an effective and systemised approach to asset management.

Our property management division has developed 'cutting edge' property management systems and procedures that ensure effective letting and management to maximise our client's investment returns.

And that's what it is all about – maximising investment opportunities!

We note the property is currently leased at \$515 per week until 4th September 2024.

It is our opinion however, that the above- mentioned property would have an estimated rental return of approximately \$550 - \$580 per week in today's market conditions and an increase come this time would be valid.

This is based on current market conditions and should be seen as a guide only.

If you have any questions regarding this matter, please do not hesitate to contact me.

Regards,
First National David Haggarty
